

Standard Operating Procedures 3080.1
Edited Wage Records File Layout
July 5, 2007

I. PURPOSE

This operating procedure specifies the standard layout of the Wage Record Edit file that will be supplied by Local Employment Dynamics (LED) to the state partners.

II. NOTES

1. The files are returned quarterly to the state partners in ASCII format.
2. Join an active listserv by visiting <http://lehd.did.census.gov/led/about-us/contact.html>.
3. The Wage Record Edit process has been suspended since November 2006 due to Department of Commerce policy on dissemination of sensitive information on removable media.
